

HAMMER METAGUARD

SKU: WS1010

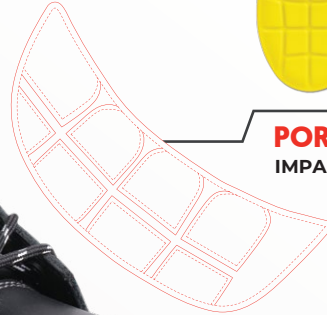

S3S SR FO SC M LG ESD

Built for the toughest conditions, the Hammer features a Poron® METAGUARD for superior metatarsal protection, and reflective detailing for increased visibility. Made from premium full grain leather.

Stability Core: A precision-engineered fibreglass shank insert embedded in the midsole to provide midfoot stability, arch support, and torsion control. Designed to reduce fatigue and enhance ladder and uneven-ground performance without restricting forefoot flex.
