

HIKER EDGE

SKU: WS1060

S3S SR FO SC LG ESD

Crafted from smooth, full grain leather, the Hiker Edge blends rugged durability with a refined edge. Reflective detailing and an extra padded collar ensure both visibility and comfort in every step.

Stability Core: A precision-engineered fibreglass shank insert embedded in the midsole to provide midfoot stability, arch support, and torsion control. Designed to reduce fatigue and enhance ladder and uneven-ground performance without restricting forefoot flex.
